HOW TO USE THIS GUIDE

This guide is designed for exam-week conditions when your first-choice study spot lets you down. Follow the sequence:

1. Choose your preferred study spot (Plan A).
2. Check current opening hours and booking requirements before leaving home.
3. If the venue is unsuitable or unavailable, move to Backup #1.
4. If Backup #1 fails, move to Backup #2.
5. Use the late-hour fallback only when appropriate and verified.

IMPORTANT

This guide does NOT guarantee live seat availability. SGEventsHub does not track real-time occupancy. Always verify current conditions before travelling.

PRIMARY -> BACKUP DECISION TREE

Follow this flow when your first choice does not work. Verify hours before each move.

>> START: Where do you want to study?

-- PRIMARY: Woodlands Regional Library (10:00-21:00)

| -- Is it suitable & available?

| | -- YES -> Study there. Done.

| | -- NO -> Go to BACKUP #1

-- BACKUP #1: Woodlands Galaxy CC (9:00-22:00, check OnePA)

| -- Still unsuitable?

| | -- YES -> Go to BACKUP #2

| | -- NO -> Study there. Done.

-- BACKUP #2: Sembawang Library (11:00-21:00) OR Republic Polytechnic Library (8:00-21:00 weekdays)

| -- Need later hours? (after 21:00)

| | -- YES -> LATE-NIGHT FALLBACK

| | -- NO -> Study at Backup #2. Done.

-- LATE-NIGHT FALLBACK: 24-hr McDonald's (Woodlands North Plaza) or Causeway Point 24-hr F&B

| -- !! Not a study venue. No guaranteed power, quiet, or AC. Use only if no alternative.

EXAM-WEEK TIMING STRATEGY

1. Morning advantage

Libraries open at 10:00-11:00. Arriving at opening time significantly increases seat availability. The first 2-3 hours after opening are typically the least crowded.

2. Afternoon crowding

Exam periods see peak occupancy from 13:00-18:00. If your session starts in this window, have Backup #1 confirmed before you leave home.

3. Evening transition

Woodlands Regional Library closes at 21:00. Woodlands Galaxy CC may stay open until 22:00 (verify on OnePA). Plan your move 30 minutes before closing.

4. Late-night reality

After 22:00, free air-conditioned options with power are extremely limited in Woodlands. The 24-hour McDonald's at Woodlands North Plaza has sockets but is not a study venue - noise, lighting, and seating are not controlled.

5. Weekend vs weekday

Sembawang Library and Republic Polytechnic Library have shorter weekend hours. Check before travelling. Republic Polytechnic Library is closed on Sundays and public holidays.

6. Booking requirements

None of the listed free venues require advance booking for general study areas. Some CCs ask for registration at the counter on first visit.

7. Transport buffer

Woodlands MRT to Republic Polytechnic: ~10 min by bus, 25 min walk. Woodlands to Sembawang: 1 MRT stop (~3 min). Factor in 15-20 min buffer for walking/waiting.

8. Power-critical sessions

If your device battery is low, prioritise Woodlands Regional Library (confirmed sockets at designated seats) or Republic Polytechnic Library. Galaxy CC and Sembawang Library have limited/uncertain power access.

9. Silence-critical sessions

Do not default to cafes or mall seating if silence is essential. Woodlands Regional Library and Sembawang Library have designated quiet zones. Galaxy CC is shared space - noise level varies.

BACKUP CHECKLIST (BEFORE YOU LEAVE)

Complete this checklist before leaving for your study session. Save a screenshot or print this page.

- ☐ Check opening hours for Plan A venue (official website/OnePA/NLB)
- ☐ Check booking/registration requirement for Plan A
- ☐ Check current availability if venue provides it (e.g., NLB Crowd Levels)
- ☐ Save Backup #1 details (venue, hours, MRT directions)
- ☐ Save Backup #2 details (venue, hours, MRT directions)
- ☐ Charge laptop / phone to 80%+
- ☐ Bring charger(s)
- ☐ Bring power bank (critical for venues with limited sockets)
- ☐ Download important study materials for offline access
- ☐ Check transport (MRT/bus status, walking time)
- ☐ Pack water / snacks if appropriate (note: no eating in libraries)
- ☐ Leave enough travel time to arrive 10-15 min before you need to start

EMERGENCY DECISION RULES

- If your first choice is full

Do not spend 30 minutes searching randomly. -> Switch to Backup #1 immediately. The decision tree exists so you do not have to improvise under pressure.

- If it is already late (after 20:00)

Remove venues that close too soon (Woodlands Regional Library closes 21:00, Sembawang 21:00). -> Choose a genuinely suitable later option (Galaxy CC until 22:00, or late-night fallback).

- If silence is critical

Do not automatically use a cafe or mall seating. -> Prioritise the verified quietest suitable option (Woodlands Regional Library quiet zones, Sembawang Library).

- If power is essential

Do not gamble on an unverified venue. -> Choose a venue with confirmed power availability (Woodlands Regional Library designated seats, Republic Polytechnic Library). Bring a power bank regardless.

- If travelling far (e.g., from another town)

Check the destination before leaving. -> A "good" venue is not good if the trip is wasted. Use NLB Crowd Levels, OnePA, or call the venue.

- If all free options are exhausted

Consider paid alternatives: Spatial (booths), Switch study booths, City on a Hill, or nearby coworking day passes. Typical student pricing: ~S\$2-5/hour, S\$5-10/day. This guide covers free options only.
